## Overview

Welcome to the Institutional Characteristics (IC) survey. This survey collects important information about your institution's mission, admissions, students services, and student charges.

Much of the data reported on IC appear on College Navigator, a college search service for students.

Financial Aid survey. This has important implications for what students see about your institution, and also College Affordability and Transparency lists.

Remember,  
Please never hesitate to call the IPEDS Help Desk and ask for help to make sure that you are reporting co

- The systems question is now part of the IC Header.
- There is a new question that asks whether all of the programs at your institution are offered complete distance education.
- Cost (price) of attendance data for program reporters will be collected for the length of the program (and fees, books and supplies) or for 4 weeks (room and board, other expenses). This is to better align cost of attendance with SFA data for the net price calculation. Based on the data entered, program completion attendance and academic year cost of attendance will be calculated.

Reviews of the IC survey data indicate a number of places where many people make errors. Please review the common errors listed below to ensure your institution does not make any reporting errors which may affect your institution's appearance to students and others.

- In some cases, this provides false information to students or other stakeholders. This can cause an institution to appear on the College Affordability and Transparency lists. Fatal errors are the reason - contact the Help Desk at 877.225.2568 and they will happily help you to figure out what you are doing incorrectly, or provide an override if necessary.
- If your institution only requires a GED or other high school equivalent and/or an ability to benefit test, and admits almost all students, you should not check this box. If you do, your institution is open admission.
- This leads to inconsistent and problematic reporting on the Student Financial Aid survey.
- In order to be consistent with other institutions in IPEDS, please use the IPEDS definition of an academic year.
