Fall Enrollment 2011-12

Institution: University of Missouri-Columbia (178396)

User ID: 29C0011

Fall Enrollment Overview

The Fall Enrollment component collects student enrollment counts by level of student, enrollment status, gender and race/ethnicity. In addition, first-time student retention rates and the student-to-faculty ratio are collected. Every other year data on residence of first-time undergraduates is required and in opposite years, enrollment by student age is required to be reported.

Institutions must continue to use the new postbaccalaureate degree categories (eliminating the first-professional category and reclassifying those programs). All postbaccalaureate students are to be reported as graduate students for enrollment purposes, including any doctor's-professional practice students (formerly first-professional).

Part B, Enrollment of students by age, is **required**

Part C (Residence of First-Time Degree/Certificate-Seeking Undergraduates) is optional this year.

Do you wish to complete Part C this year?

If you select 'Yes', you will be expected to complete the Part C screens.

If you select 'No', you will skip Part C.

- Yes, I will complete Part C
- No, I will not complete Part C
