Selection Process - A/A/E

2. Provide the number of first-time, degree/certificate-seeking undergraduate students who applied, who were admitted, and who enrolled (either full- or part-time) at your institution for Fall 2023. Include early decision, early action, and students who began studies during the summer prior to Fall 2023.

Remember that this question applies only to first-time, degree/certificate-seeking undergraduates. Do not include any other students in these totals. Report admitted students who enrolled in the summer ONLY IF they remained enrolled into the fall.

Only include levels that you indicated were offered in the IC Header. If you made an error in the IC Header, please remember to fix the error next year.

- The 'gender unknown' category will be determined by substracting (men + women + another gender) from the Total.

Is your institution able to report another gender for the 2023-24 data collection?
If you indicate 'No, my institution does not collect data on another gender,' leave the cells in the rows for 'Another gender' blank (i.e., do not report 0). If you indicate 'No, some cells will

Selection Process - Test Scores

3. Provide data for all students for whom a test score was used in the admissions decision for Fall 2023. Include new students admitted the summer prior to Fall 2023. If you report less than 5 students for any of the scores, do not report percentiles.

Institutions that use test scores for some students report the number of students for whom test scores were used.

Number of enrolled students for whom an SAT score was used in the admissions decision	35
Percent of enrolled students for whom an SAT score was used in the admissions decision	8
Number of enrolled students for whom an ACT score was used in the admissions decision

Summary

Admissions Component Summary

The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your institution's Data Feedback Report (DFR). In addition, all data reported in IPEDS survey components become publicly available through the IPEDS Use the Data and appear as aggregated statistics in various Department of Education reports. College Navigator is updated approximately three months after the data collection period closes and DFRs will be available through the IPEDS Use the Data and sent to your institution's CEO at the end of 2024.

Please review your data for accuracy. If you have questions about the data displayed below or after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or ipedshelp@rti.org.
