Comparison Chart

Reporting Reminders:

- Based on the information reported on the previous screens for all undergraduate students and full-time, first-time degree/certificate-seeking undergraduate students, this comparison chart seeks to help institutions check their reported data. Assuming the information reported is correct, the calculated fields for 'All Other Undergraduate students' should be the balance. Similarly, comparison chart values for all degree/certificate and all non-degree/ certificate undergraduates should match the total reported in columns 1-4 in Section 1, Part B. If the balance does not check with your institution's calculations, please correct your reported numbers before moving forward with the completion of the SFA survey component.
- Data for all degree/certificate seeking undergraduate students and full-time, first-time undergraduate students are published on College Navigator.

Note:

- Data for the 'all other degree/certificate undergraduate' students and all non-degree/certificate undergraduate students will appear in the IPEDS Data Center for data users, but not in College Navigator.

Student Financial Aid Component Summary

The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your institution's Data Feedback Report (DFR). In addition, all data reported in IPEDS survey components become publicly available through the IPEDS Use the Data and appear as aggregated statistics in various Department of Education reports. College Navigator is updated approximately three months after the data collection period closes and DFRs will be available through the IPEDS Use the Data and sent to your institution's CEO at the end of 2024.

Please review your data for accuracy. If you have questions about the data displayed below or after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or ipedshelp@rti.org.

Edit Report

Source	Description	Severity	Resolved	Options
Screen: Page 2 - Full-time, first-time degree/certificate-seeking undergraduate students				
Screen Entry	The average amount of this type of aid awarded to FTFT Undergraduate students is outside the expected range of between 2,749 and 4,113 when compared with the prior year value. Please check the number of students and the total amount of aid awarded to these students, and correct or explain the discrepant values. (Error #7147)	Explanation	Yes	
Reason	We made an adjustment to the way we handled awarding a crossover year in regard to Federal Pell Grant.			
Screen Entry	The average amount of this type of aid awarded to FTFT Undergraduate students is outside the expected range of between 17,652 and 19,016 when compared with the prior year value. Please check the number of students and the total amount of aid awarded to these students, and correct or explain the discrepant values. (Error #7147)	Explanation	Yes	
Reason	It could be a number of things; not sure we could correlate this change.			
Screen: Full-time, first-time degree/certificate-seeking undergraduate students				
Screen Entry	The number entered is outside the expected range of between 47 and 87 when compared with the prior year value. Please correct your data or explain. (Error #7169)	Explanation	Yes	
Reason	No clear explanation, except that more students chose to live on-campus.			
Screen Entry	The number entered is outside the expected range of between 33 and 59 when compared with the prior year value. Please correct your data or explain. (Error #7169)	Explanation	Yes	
Reason	This could be a result of an overall 4.4% enrollment increase of 2022 first-time degree-seeking who are from this and neighboring counties.			
Screen Entry	The number entered is outside the expected range of between 30 and 54 when compared with the prior year value. Please correct your data or explain. (Error #7169)	Explanation	Yes	
Reason	No clear explanation, except that more students chose to live on-campus.			
Screen Entry	The calculated average amount of grant or scholarship aid awarded to FTFT awarded Title IV Aid students from the federal government, state/local government, or the institution for this income level is smaller than expected in comparison with the other income levels. Please check the values reported for the number of these students who were awarded any Title IV aid (Col. 1) and the total amount of grant or scholarship aid awarded to them (Col. 3) and correct your data or explain the discrepancy. (Error #7317) This edit and explanation were retained from the prior year (for reference) and do not need to be re-explained in the current year edit report.	Explanation	Yes	
Reason	The data reported is correct. The number of students that met our priority aid deadline were fewer in that income category.
