

UNIVERSITY OF MISSOURI CELLULAR PROJECT INSTRUCTIONS

The purpose of these instructions is to provide cellular company authorized agents instructions on how we execute cellular projects on MU campus.

Please note, that if 180 days have passed since the process was started, you will need to start over with a new Missouri Cellular Project Request Form.

Step 1: Determine the MU Campus Facility coordination fee and third-party permit review fee

- x Complete the University of Missouri Cellular Project Request Form
- x Email the University of Missouri Cellular Project Request Form-
 - o Email Subject Line:
CELLULAR PROJECT REQUEST FORM- "CARRIER NAME" - "PROJECT TITLE"
 - o Recipients:
University Project Coordinator (toigos@missouri.edu)
 - o University Real Estate (mu@umsystem.edu)
- x The University will reply with the total fee amount and MU assigned project number.

Be filled out with the MU assigned project number

Address:

1000 University Drive

University of Missouri
